TEACHER'S NOTES:

Famous people

Aim: This fun warmer can be used to consolidate key vocabulary from unit 7 and provides extra practice of adjectives for describing people and also of can do; recognising people from a description.

Time: 40 minutes

Materials: photocopies of the worksheet for each student.

- 1 Encourage students to choose three people they are able to describe and who are well known. Provide an example if necessary.
- 2 Students can have a quick check in the Students' Book, page 73 to help them with the activity and make sure they really make the most of the vocabulary they've learnt.
- 3 Monitor this activity and if you notice some particularly good descriptions that are quite challenging, get the students to read these out to the class to see if anyone can guess.
- 4 This is a good accuracy test for students and gives them some responsibility. Monitor to check that corrections are correct.
